TEAM EXPERIENCE CAMP

High school coaches are you looking for a camp for your team this summer? Bring your varsity and JV groups to Bellarmine for a camp customized to what your team needs. Coach Grzebin will work closely with high school coaches to identify the areas your team needs work on prior to camp. Then, we will develop a three hour practice that emphasizes those areas and how we train them here at Bellarmine.

Several Bellarmine volleyball players will be on staff to assist Coach Grzebin with practice and training. We can cover anything from team defensive concepts to individualized skill work by position.

Dates fill up quickly so please reserve a date with Coach Grzebin soon. Dates are available May through early August, primarily Saturday through Tuesday. For more information and to reserve your date, email Coach Grzebin at jgrzebin@bellarmine.edu with the subject Team Experience Camp.
